Michael Molloy | 1829 Elm St, Wilmington, DE 19805

Dear Michael,

My name is Charles Pleasant with Paragon Government Solutions — a real company, run by real people. I'm writing to you directly, and honestly, about **1829 Elm St**, including a genuine cash offer and exactly how I arrived at it.

Recent comparable sales near you

1010 Elm St — 3 bed, semi-detached	\$175,000
1004 Maple St — 4 bed	\$133,400
1204 Elm St — sold as-is	\$110,000
Area median sold (19805)	~\$227,000

In move-in-ready condition, your home's market value is about **\$235,000**. Given its age, I'm budgeting roughly **\$45,000–\$55,000** in updates — work I take on, not you.

MY AS-IS CASH OFFER

\$105,000

All cash • no fees or commissions • no closing costs • close on your timeline

If the home is in better shape than I've assumed, the number goes up — I'll gladly revise once I see current photos.

My commitment to being straight with you

If you can make the repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant
