My name is Charles Pleasant with Paragon Government Solutions — a real company, run by real people. I'm writing to you directly, and honestly, about **3315 E Oak St, Phoenix, AZ 85008**.

Based on your property's current market value of about **\$353,000** and the work it likely needs given its age, here is my offer — and I take on all repairs, not you:

MY AS-IS CASH OFFER

\$193,000

All cash • no fees or commissions • no closing costs • close on your timeline

If the home is in better shape than I've assumed, the number goes up — I'll gladly revise once I see current photos.

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant

If the home is in better shape than I've assumed, the number goes up — I'll gladly revise once I see current photos.

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant

Dear For,

My name is Charles Pleasant with Paragon Government Solutions — a real company, run by real people. I'm writing to you directly, and honestly, about **143 Tobby Hollow Ln, Knoxville, TN 37931**.

Based on your property's current market value of about **\$245,000** and the work it likely needs given its age, here is my offer — and I take on all repairs, not you:

MY AS-IS CASH OFFER

\$140,000

All cash • no fees or commissions • no closing costs • close on your timeline

If the home is in better shape than I've assumed, the number goes up — I'll gladly revise once I see current photos.

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant

Property Owner | 1330 66th Ave, Philadelphia, PA 19126

Dear Property,

My name is Charles Pleasant with Paragon Government Solutions — a real company, run by real people. I'm writing to you directly, and honestly, about **1330 66th Ave, Philadelphia, PA 19126**.

Based on your property's current market value of about **\$269,400** and the work it likely needs given its age, here is my offer — and I take on all repairs, not you:

MY AS-IS CASH OFFER

\$93,000

All cash • no fees or commissions • no closing costs • close on your timeline

If the home is in better shape than I've assumed, the number goes up — I'll gladly revise once I see current photos.

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant

Dear Servbank,

My name is Charles Pleasant with Paragon Government Solutions — a real company, run by real people. I'm writing to you directly, and honestly, about **6536 Colonnade Cir, Pensacola, FL 32506**.

Based on your property's current market value of about **\$173,000** and the work it likely needs given its age, here is my offer — and I take on all repairs, not you:

MY AS-IS CASH OFFER

\$72,000

All cash • no fees or commissions • no closing costs • close on your timeline

If the home is in better shape than I've assumed, the number goes up — I'll gladly revise once I see current photos.

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant

Dear Reynold,

My name is Charles Pleasant with Paragon Government Solutions — a real company, run by real people. I'm writing to you directly, and honestly, about **221 N 54th St, Philadelphia, PA 19139**.

Based on your property's current market value of about **\$170,000** and the work it likely needs given its age, here is my offer — and I take on all repairs, not you:

MY AS-IS CASH OFFER

\$58,000

All cash • no fees or commissions • no closing costs • close on your timeline

If the home is in better shape than I've assumed, the number goes up — I'll gladly revise once I see current photos.

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

My commitment to being straight with you

If you can make repairs and wait through a traditional sale with an agent, you may net more — that is the honest truth. My offer is for a different need: **certainty and speed**. No repairs, no cleaning, no showings, no commissions, no closing costs, and a guaranteed closing on your schedule — in as little as two weeks. If you've fallen behind, or a deadline is approaching, that certainty is the entire point.

There is no pressure and no obligation. If it's helpful, I'm here; if the timing isn't right, I understand completely.

With respect,

Charles Pleasant
